Testimonials

- **Arnold Palmer** described the Ryder Cup 2006 Helicopter Operation as a **Triumph of Organisation** (source *Guardian Newspaper / NBC television*)
- The **FIA** (governing body for the world rally championship) described the WRC 2009 Helicopter Operation as **above reproach**

- “From the moment that you arrived on site we knew we were in safe hands with regards to the management of the helicopter operation”

Antonia Beggs, Assistant Staging Director, Ryder Cup 2010
