

# RYDER CUP HELICOPTER SHUTTLE

## Cardiff Heliport to Celtic Manor Return Trip £240 incl VAT

In October 2010, golfers from both sides of the Atlantic will congregate in South Wales, together with large numbers of spectators. Traffic in the area will be strictly controlled, with access to the site only permitted for passengers on Park and Ride services – unless you arrive by helicopter. A special heliport at The Celtic Manor will be operated for the duration of the event, with courtesy transport to the golf course and spectator areas.

For the discerning traveller who recognises the benefits of arriving by helicopters - fast travelling times, convenient departure point and luxury accommodation on the way - there is simply no other comparable mode of transport.

To book your seats now please contact: - Catherine McGinn
